August 26, 2015

On behalf of the Guernsey-Noble Safety Council Steering Committee, I would like to invite you to participate in the first ever ***Guernsey-Noble Safety and Career Expo to be held Friday, October 9, 2015 in the Paul R. Brown EPIC Center on the Cambridge Campus of Zane State College.*** This unique one-day experience could be very beneficial for your company and to those participating in the event.

Local Companies in following industry fields: Construction/Maintenance, Healthcare, Manufacturing, Oil & Gas, Small Business, Transportation, or related field, are being invited to set up tables to share information about their companies. If you choose to participate, your audience will be a targeted group of local high school and career center seniors from Guernsey and Noble counties who are considering a career in the above mentioned industries. You would have an opportunity to tell your company's story with a goal to recruit potential employees into your workforce. Time has been built into the schedule throughout the day for your company to meet individually from this group of potential employees. ***The Guernsey-Noble Safety and Career Expo will begin at 8:30 a.m. and conclude by 3:00 p.m.***

If you are interested in attending the Guernsey-Noble Safety and Career Expo on October 9, 2015, and setting up an informational table, please RSVP to me at your convenience with the following information: ***Company Name, Industry Field and # of Attendees*** that day. If you have questions, or require additional information, I can be reached by phone at (740) 439-3558, or by emailing chris.keylor@omeresanet.net. I look forward to your participation in the event.

Sincerely,

Christopher J. Keylor, Superintendent
Ohio Valley ESC

Carol Emerson, Chair
Guernsey-Noble Safety Council
