Booth rentals are open to members and non-members, and the YMCA holds their Cake Auction fund-raiser at the Expo. There are food trucks, games and something for every age at the HG+BE! Each year our directors go into our business community requesting donations for the Bid Bash, a mega auction that includes a Silent Auction, Lucky Draw and Live Action. Local member restaurants provide food for a "taste of Cambridge." There is always lively bidding on the beautiful items that represent our business community. The goal is to promote each and every business that donates an item and encourage the public to frequent those generous businesses. The 2020 Bid Bash is scheduled for Thursday, August 20.

# Awards & Recognition

The Chamber is all about recognizing and celebrating accomplishments in our community!

## Distinguished Public Service Award

Presented at our annual dinner in February, the DPSA is to recognize someone who has demonstrated outstanding personal contribution by way of active service, leadership, and ideas to any Chamber area civic or service organization and/or cause. Nominations come from the community at large.

## Years in Business Award

We recognize businesses at benchmark years in their existence – 5 years and then 25 year increments. Years in Business plaques are presented at our Business After Hours event in June of each year.

## Snazzy Awards

Snazzy Awards are for those businesses that have made physical improvements to their facilities that improve their appearance and esthetic value in the community. We celebrate these accomplishments at the September Business After Hours event.

## Sidlo Award

John Sidlo was an early chamber president whose vision and leadership carried the chamber of commerce successfully through the Great Depression era, thus leaving a legacy for the community. The Chamber of Commerce presents the Sidlo Award to an individual who exemplifies Vision, Leadership and Legacy. Nominations come from the community. This is the last award of the year and is presented at the December Business After Hours.

## B.R.E.W. Award and Witch's Brew Luncheon

This Fall luncheon recognizes women for their work in Community Service, Business and Emerging Leader. The BREVV Scholarship is also presented during the luncheon to a non-traditional female student,

## Leadership Guernsey

**Adult** – Established in 1995, Leadership Guernsey is a learning program for establishing emerging and potential leaders for Guernsey County. Its twofold purpose is to improve the attendee's leadership skills and to provide a comprehensive examination of the workings of our Guernsey County Community.

The program begins with a two day retreat in September followed by monthly one-day sessions through June of the following year. The retreat covers team-building and self-evaluation classes & activities. The monthly sessions include topics concerning business and industry, quality of life/arts & tourism, government, law enforcement & courts, media, medical, social services, education, skills for leading, and a class project. Not only will the participants improve their leadership skills, they will gain valuable insight about their community and can network with a wide range of people.

As a result of this program, the community gains more informed citizens; the employers gain more informed and motivated employees. There is a \$400.00 fee for this program. It covers the retreat, speakers, meals, class logo items, and graduation. The employer typically pays the fee.

**Youth** – The Leadership Guernsey Youth program mirrors the adult program but is exclusively for high school juniors. School administration selects five students from local high school to participate in the program. Quanex Corporation sponsors and underwrites the Youth Leadership Guernsey program.

## Coffee & Commerce

Coffee & Commerce meetings are designed as a platform to learn and discuss critical issues that impact our SE Ohio area. Gas and Oil activities have been at the forefront in our region of Ohio, and now we are also addressing other relevant topics like substance abuse, human trafficking, and employment issues. These meetings keep members informed, and provide an excellent networking forum that connects local businesses to existing and emerging industries. Coffee & Commerce meets the first Thursday of each month at Southgate Hotel in Cambridge, from 8:00 am to 9:30 am, and is exclusively for Chamber members. Industry experts, local drillers, and regional and local parties are invited to address the group for specific requested information from the members. The sessions are recorded and rebroadcast on our local television for the two weeks following each meeting.

## Leads Group

The Chamber's Leads Group is designed to stimulate business development in the community. The Leads group offers a forum for members to build relationships with other members that will generate sales leads, educate potential customers about member businesses, and expand networking opportunities. Because people do business with people they know, Leads members are more likely to refer Leads members to other member businesses.

Each Leads group is limited to one member from each business category. Applications for joining are available on our website or at the Chamber office. There is a one-time \$35 fee to join a Leads group.

The current Leads Group meets over a brown bag lunch at 11:45 am on the fourth Thursday of each month in the Chamber's board room. Members on a waiting list will form a second Leads Group when there are 8-10 participants interested.

## Workshops and Training

The Chamber of Commerce utilizes government agencies, the Ohio Chamber of Commerce, industry experts and local talent to provide workshops and training sessions. These programs are announced in our bi-monthly newsletter, weekly Email Blasts and ENewsletter, as they are developed and scheduled. The sessions are typically presented in our Business Over Breakfast events, Lunch ‘N Learns, and Human Resources Roundtables.

## Young Leaders of Guernsey County

The Young Leaders of Guernsey County is a community of young adults between 21 and 40 years old that builds relationships, improves the quality of life for young professionals, and gives a voice to young leaders in our community, our businesses and for our future! This program is meant to inspire an up-and-coming generation of leaders to step into leadership roles in our community. As leaders in key positions “age out” of their roles, these Young Leaders will be better prepared to take on the responsibilities. Monthly events vary between social, educational and community service. Membership in the group is open to Chamber of Commerce members and non-members who live or work in Guernsey County.

## Business After Hours

Business After Hours are held each month at rotating member businesses. These are the ultimate networking events for our Chamber! Attendees are introduced to the host business with tours and/or overviews by the business owner from 5:00 to 6:30. The hosts provide appetizers and drinks – it’s much like a networking social hour-and-a-half! The Chamber presents new member plaques and introduces new businesses to the attendees. The Chamber staff, board members, and Chamber Ambassadors “work” this event to make sure everyone knows each other. To encourage attendance, we draw from the Pot O’ Gold at each Business After Hours. We have a drawing from entries of all Chamber member businesses. If the business name that is drawn has a representative at the event, the business wins the amount contributed in Chamber Bucks. If that business has not attended, a second drawing occurs for half of the Pot. If there is no winner, the Pot builds and we draw again at the next Business After Hours. Each month, the host contributes additional \$50 to the Pot O’ Gold, so the Pot gets richer over time! It certainly can pay to attend a Business After Hours!
