# ANNUAL EVENTS

## ANNUAL DINNER

The Chamber's Annual Dinner celebrates the past year's accomplishments and launches the business community into future endeavors that will unfold over the year. A highlight of the dinner is the presentation of the Distinguished Public Service Award, followed by a dynamic speaker or entertainer. This is the ultimate networking event for our members to take full advantage of the camaraderie and partnerships of our strong business community. The 2022 Annual Dinner will be held on Thursday, February 17.

## HOME, GARDEN, AND BUSINESS EXPO

This signature event for the Chamber of Commerce most closely represents what the chamber is about – helping businesses get exposure and increased sales. Held at our local civic center in March each year, nearly 100 businesses and organizations rent exhibit booths for a two day event that is open to the public. Booth rentals are open to members and non-members. There are food trucks, games and something for every age at the HG+BE! The 2022 Expo will be held March 11 and 12.

# AWARDS & RECOGNITION

*The Chamber is all about recognizing and celebrating accomplishments in our community!*

## DISTINGUISHED PUBLIC SERVICE AWARD

Presented at our annual Dinner in February, the DPSA is to recognize someone who has demonstrated outstanding personal contribution by way of active service, leadership, and ideas to any Chamber area civic or service organization and/or cause. Nominations come from the community at large.

## YEARS IN BUSINESS AWARD

We recognize businesses at benchmark years in their existence – 5 years and then 25 year increments. Years in Business plaques are presented at our Business After Hours event in June of each year.

## SNAZZY AWARDS

Snazzy Awards are for those businesses that have made physical improvements to their facilities that improve their appearance and esthetic value in the community. We celebrate these accomplishments at the September Business After Hours event.

## SIDLO AWARD

John Sidlo was an early chamber president whose vision and leadership carried the chamber of commerce successfully through the Great Depression era, thus leaving a legacy for the community. The Chamber of Commerce presents the Sidlo Award to an individual who exemplifies Vision, Leadership and Legacy. Nominations come from the community. This is the last award of the year and is presented at the December Business After Hours.

## B.R.E.W. AWARD AND WITCH'S BREW BANQUET

This Fall banquet recognizes women for their work in Community Service, Business and Emerging Leader. The BREW Scholarship is also presented during the banquet to a non-traditional female student, recognizing the hardships involved in reaching for a lofty goal while dealing with life's challenges. Boldly Recognizing Exceptional Women. The 2022 event is scheduled for Friday, October 28.

# BUSINESS & PROFESSIONAL DEVELOPEMENT

## LEADERSHIP GUERNSEY

**Adult** – Established in 1995, Leadership Guernsey is a learning program for establishing emerging and potential leaders for Guernsey County. Its twofold purpose is to improve the attendee's leadership skills and to provide a comprehensive examination of the workings of our Guernsey County Community.

The monthly one – day sessions from September – May include topics concerning business and industry, quality of life/arts & tourism, government, law enforcement & courts, media, medical, social services, education, skills for leading, and a class project. Not only will the participants improve their leadership skills, they will gain valuable insight about their community and can network with a wide range of people.

As a result of this program, the community gains more informed citizens; the employers gain more informed and motivated employees. There is a \$450.00 fee for members and a \$500 fee for non – members for this program. It covers the meetings, speakers, meals, class logo items, and graduation. The employer typically pays the fee.

**Youth** – The Leadership Guernsey Youth program mirrors the adult program but is exclusively for high school juniors. School administration selects five students from local high schools to participate in the program. Quanex corporation sponsors and underwrites the Youth Leadership program.

## WORKSHOPS AND TRAINING

The Chamber of Commerce utilizes government agencies, the Ohio Chamber of Commerce, industry experts and local talent to provide workshops and training sessions. These programs are announced in our ENewsletters, as they are developed and scheduled. The sessions are typically presented in our Business Over Breakfast events, Power Lunch, and Human Resource Roundtables.

## YOUNG LEADERS OF GUERNSEY COUNTY

The Young Leaders of Guernsey County is a community of young adults between 21 and 40 years old that builds relationships, improves the quality of life for young professionals, and gives a voice to young leaders in our community, our businesses and for our future! This program is meant to inspire an up – and – coming generation of leaders to step into leadership roles in our community. As leaders in key positions “age – out” of their roles, the Young Leaders will be better prepared to take on the responsibilities. Monthly events vary between social, educational and community service. Membership in the group is open to Chamber of Commerce members and non – members who live or work in Guernsey County.

## BUSINESS AFTER HOURS

Business After Hours are held each month at rotating member businesses. These are the ultimate networking events for our Chamber! Attendees are introduced to the host business with tours and/or overviews by the business owner from 5:00 to 6:30. The hosts provide appetizers and drinks – it's much like a networking social hour – and – a – half! The Chamber staff and board members “work” this event to make sure everyone knows each other. To encourage attendance, we draw from the Pot O’ Gold at each Business After Hours. We have a drawing from entries of all Chamber member businesses. If the business name that is drawn has a representative at the event, the business wins the amount contributed. If that business has not attended, a second drawing occurs for half of the Pot. If there is no winner, the president draws from the business cards of those who are present and they win Chamber Bucks! A guaranteed winner every time!
