# BUSINESS & PROFESSIONAL DEVELOPEMENT

## LEADERSHIP GUERNSEY

**Adult** – Established in 1995, Leadership Guernsey is a learning program for establishing emerging and potential leaders for Guernsey County. Its twofold purpose is to improve the attendee’s leadership skills and to provide a comprehensive examination of the workings of our Guernsey County Community.

The monthly one – day sessions from September – May include topics concerning business and industry, quality of life/arts & tourism, government, law enforcement & courts, media, medical, social services, education, skills for leading, and a class project. Not only will the participants improve their leadership skills, they will gain valuable insight about their community and can network with a wide range of people.

As a result of this program, the community gains more informed citizens; the employers gain more informed and motivated employees. There is a \$450.00 fee for members and a \$500 fee for non – members for this program. It covers the meetings, speakers, meals, class logo items, and graduation. The employer typically pays the fee.

**Youth** – The Leadership Guernsey Youth program mirrors the adult program but is exclusively for high school juniors. School administration selects five students from local high schools to participate in the program. Quanex corporation sponsors and underwrites the Youth Leadership program.

## WORKSHOPS AND TRAINING

The Chamber of Commerce utilizes government agencies, the Ohio Chamber of Commerce, industry experts and local talent to provide workshops and training sessions. These programs are announced in our ENewsletters, as they are developed and scheduled. The sessions are typically presented in our Power Lunch, and Human Resource Roundtables.

## YOUNG LEADERS OF GUERNSEY COUNTY

The Young Leaders of Guernsey County is a community of young adults that builds relationships, improves the quality of life for young professionals, and gives a voice to young leaders in our community, our businesses and for our future! This program is meant to inspire an up – and – coming generation of leaders to step into leadership roles in our community. As leaders in key positions “age – out” of their roles, the Young Leaders will be better prepared to take on the responsibilities. Monthly events vary between social, educational and community service. Membership in the group is open to Chamber of Commerce members and non – members who live or work in Guernsey County.

# BUSINESS & PROFESSIONAL DEVELOPEMENT

## BUSINESS *after* HOURS

### BUSINESS AFTER HOURS

Business After Hours are held each month at rotating member businesses. These are the ultimate networking events for our Chamber! Attendees are introduced to the host business with tours and/or overviews by the business owner from 5:00 to 6:30. The hosts provide appetizers and drinks – it’s much like a networking social hour – and – a – half! The Chamber staff and board members “work” this event to make sure everyone knows each other. To encourage attendance, we draw from the Pot O’ Gold at each Business After Hours. We have a drawing from entries of all Chamber member businesses. If the business name that is drawn has a representative at the event, the business wins the amount contributed. If that business has not attended, a second drawing occurs for half of the Pot. If there is no winner, the president draws from the business cards of those who are present and they win Chamber Bucks! A guaranteed winner every time!
